 - For those leaving the island on Sunday or willing to wait for their kayaks to arrive in Mackinaw City after 6:00pm on Sunday.
 - Kayaks will be left along Shepler's docks in Mackinaw City

Kayak Rentals

Our rental fleet is a combination of kayaks from three different rental providers.

A fair warning: These are **not sea kayaks**, and if Mother Nature decides not to cooperate, they can be a bit more challenging to paddle. The fleet consists of a mix of **sit-on-top, sit-inside, recreational, and touring kayaks**. In previous years, we essentially had a "first come, first served" approach to kayak selection. We've learned a few things since then. This year, **you will be assigned a specific kayak during packet pickup**, identified by the kayak number shown on the rental list.

Some kayaks are better suited for larger paddlers than others. If you think that may apply to you, it would be very helpful if you could **email Jon (jon@swimaroundmac.com) before event weekend** so we can take that into consideration when making assignments.

IF YOUR SWIMMER DOES NOT FINISH THE EVENT, YOU ARE STILL RESPONSIBLE FOR HAVING THE RENTAL KAYAK AT THE FINISH LINE

DO NOT ABANDON YOUR KAYAK!

STAGING/START area FOR KAYAKS

ALL kayaks may be staged at Windermere Point starting Saturday afternoon. This is a large lawn just West of Shepler's ferry docks. Former MIS athletes may recognize this area from the "NO SWIMMING" sign.

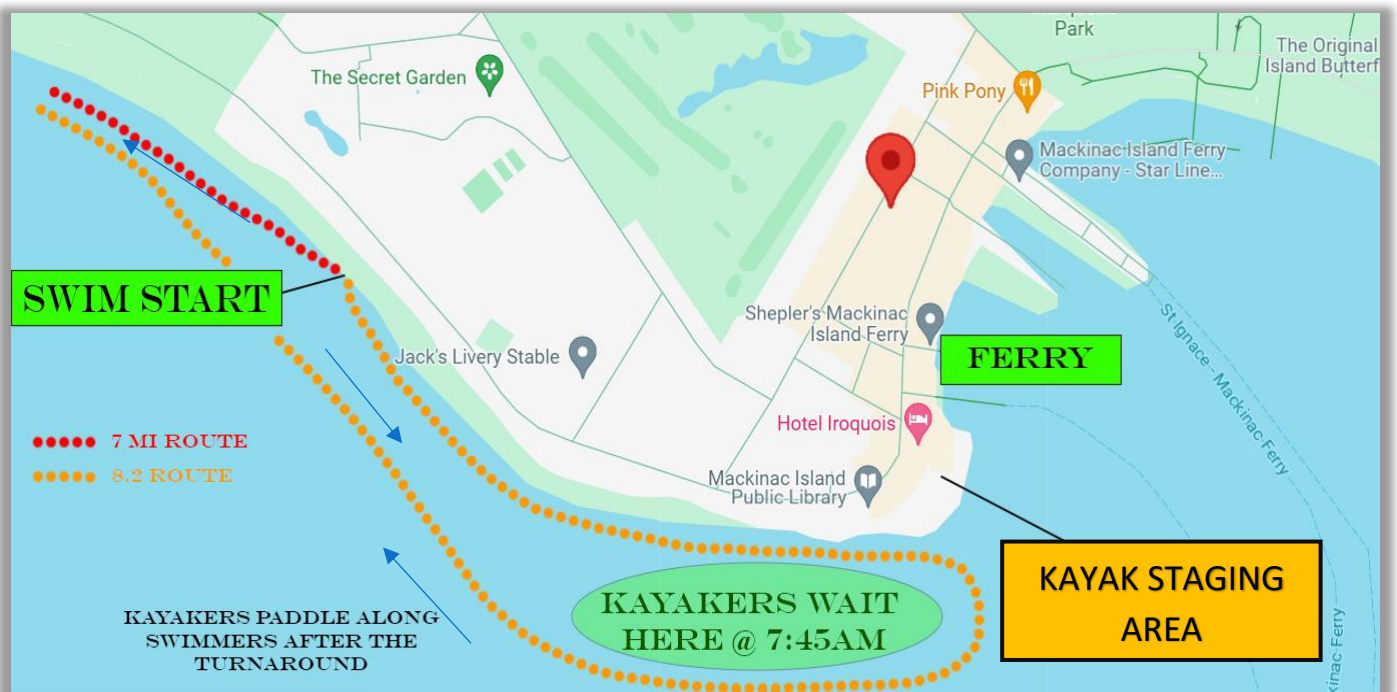

Kayaks can be stored here starting the afternoon of Saturday August 8. This is also where rental kayaks will be staged. The area is under surveillance and can be viewed from the webcam here: www.windermerehotel.com/webcam.html

Kayakers will be directed to enter the water from this area before the start of the swim. From there you will head to the designated kayak area, just North of the first turnaround buoy.

Note: Kayakers that are paddling with swimmers doing the **7 mile route** will need to be to the swim start line before the start. You should get in the water ASAP from the kayak staging area and head over there via kayak. Your other option is to walk your kayak the half mile to the start line, please understand this will be a congested area.

DO NOT START KAYAKING NEXT TO YOUR SWIMMER UNTIL AFTER YOUR SWIMMER MAKES THE TURNAROUND

INCLIMATE WEATHER AND ALTERNATE ROUTE

In the unfortunate circumstance of bad weather, our team will make decisions by 7am regarding delays, cancellations, or the use of an alternate route.

- In the event of rain, the event will go as planned.
- In the event of heavy fog during the morning of the event.
 - We may delay for up to 2 hours until conditions are deemed safe
- In the event of thunderstorms.
 - The forecast and a decision by our event team will decide if the swim is to be cancelled or delayed
- **Air Quality** – If the Air Quality Health Index (AQHI) reaches a high-risk category, our safety team will evaluate conditions and determine whether a delay or cancellation is necessary. While this is highly unlikely, widespread smoke from wildfires in recent years has made it a consideration in our event planning.
- In the event of a small craft advisory
 - The event will be canceled if conditions are too dangerous for swimmers, kayakers and boaters to aid the event
 - An alternate ‘out and back’ route will be used on the leeward side of the island
 - Swimmers will swim out (north) staying towards the deeper water, and back closer to the shore. (see map)
 - Kayakers will no longer be able to participate.

**Lunch will be provided regardless of the cancellation of the event.
Come to Mission Point at 12:00pm to celebrate your hard work and
to support the Mackinaw Woman's Club**

THE FINISH LINE

The Awards

If you don't already know, the Mackinac Island Swim is **not a race**. Our timing system exists simply to verify that everyone safely enters and exits the water. That said... we still like to have a little fun.

The first male, first female, and first relay team to reach the finish line will each receive a fresh pie from **The Mackinaw Bakery & Café**. We call it the **Humble Pie Award**. Why? Because swimming around an island is impressive enough. We want to recognize your speed without making it the point of the day. As we like to say, "**May this pie go to your gut and not your head.**" So enjoy your pie, celebrate your accomplishment, then stick around, cheer on the rest of the field, and remember that every person out there is

taking on the same incredible challenge. At the Mackinac Island Swim, we're far more interested in how you treat your fellow swimmers than where you finish.

The **Mackinaw Woman's Club** also presents a few additional Humble Pie Awards but for a very different reason. These awards recognize people who have inspired us through their perseverance, kindness, sportsmanship, dedication, or the unique way they've impacted this community. Rather than asking these recipients to be humble, these pies represent **our humility**. They are our way of saying that we are honored to have shared this journey with them and grateful for the example they've set. Because at the Mackinac Island Swim, the greatest accomplishments aren't always measured by the clock.

Don't worry if you don't take home a pie... you still get an award (and a meal)! Every participant will receive a commemorative medal at the finish line. Whether you completed a relay, the 7-Mile Swim, the full 8.2-Mile Swim, or simply made it as far as you could that day, you've taken on a challenge that few people ever will.

Be sure to pick up your medal before heading to the buffet. We don't want your pasta to distract you from your hardware! We hope your medal serves as a lasting reminder of an unforgettable day and everything you accomplished.

Finish line meal provided by Mission Point Resort

Pasta buffet served between 12:00pm – 3:00pm.

Caesar Salad | Penne Pasta* | Alfredo & Marinara
Sliced Grilled Chicken | Meatballs | Breadsticks |
Cannolis & Cookies

*gluten free pasta will be available

Cash bar will include craft beer, Bud Light, wine, seltzer
and soft drinks

Once the buffet closes we supply boxed lunches at the finish line. We want to allow every speed of swimmer a chance to complete the challenge, however, this has resulted in some swimmers not finishing before the buffet closes.

All swimmers and registered kayakers will receive a meal.

Those wishing to purchase extra meal tickets, **PLEASE DO SO BY July 24.**

A link to purchase a meal ticket can be found on our website: www.SwimAroundMac.com
